Program Web site

Log on to www.contractorpro.com to view your points and account information. At the site you will be able to redeem points for rewards and find other important information including:

- Technical support
- Literature
- Training-on-demand
- Business support tools

Earning Points Is Easy

Just submit Distributor invoices of your qualifying Honeywell purchases via fax or mail (see details below). You'll earn a point for every dollar you spend, so the rewards add up quickly.

Points For Free Product

You'll get the most from your Contractor PRO points when you redeem them for product. Turn your points into a Points for Product Certificate that can be used to purchase qualifying Honeywell products at the participating Honeywell Distributor of your choice.

Points For Co-op Advertising

Honeywell also encourages Contractor PRO members to use their points to co-op the costs of promoting or advertising Honeywell products locally. Reimbursement is offered at the rate of 50% on all eligible advertising and marketing materials.

Points For Luxury Rewards

Honeywell is also proud to offer a full catalog of luxury rewards from which Contractor PRO members can redeem their points.
